

April 15, 2010

We are excited to announce that effective April 1, 2010, The Fitzgerald Group has merged our operations with Net@Work, one of the leading Sage Software Partners in the country and an award-winning end to end technology solutions provider.

**You will see little, if any, change relative to your Sage MAS 90/MAS 200 support, really just a name change.** For your consulting needs, you will continue working with our outstanding consulting staff made up of Howard Finestone, Lisa Dudek, Jenine Teixeira, and Lisa Gardella. For those of you taking advantage of one of our prepaid support plans, you will continue to be in the capable hands of Dean Yeater and Chris Tilden. I will be managing the Net@Work office at the same location here in Sharon, Massachusetts.

What will change, however, and what is really the driving force behind this merger, will be our ability to offer you a wide range of new and exciting products and services to help you grow your business. We can now offer a broader set of accounting software solutions (including MAS 500), as well as new services and solutions including CRM, Document Management and HR software, Network Support/Hardware, and Web Development /E-Commerce.

The relationship between The Fitzgerald Group and Net@Work has been evolving over the past 5 years, as more and more often, we found ourselves reaching out to Net@Work when our clients had needs beyond our capabilities. Our two firms have been able to work well together because we have the same culture and strong focus on customer service. Over the next weeks and months, we will be introducing you to some of these exciting new services and business solutions, as well as giving you an opportunity to meet some of the management and staff from Net@Work. To learn more about Net@Work, visit [www.netatwork.com](http://www.netatwork.com).

You should find this transition to be pretty transparent, but if you have any questions, please do not hesitate to contact me directly at (781) 232-1212 or via email at [mike@thefitzgroup.com](mailto:mike@thefitzgroup.com).

Sincerely yours,

Mike Fitzgerald, President  
The Fitzgerald Group, Inc.
